I declare that I have third party liability and damage coverage which is valid for competing in sail boat competition. This insurance has, or will have by August 20, coverage to include such activity in Canada.

I understand that a damage deposit of CAN\$500 is required with this application. This deposit is refundable at the completion of the regatta in the event there is no damage to the loaned boat.

I understand that I may make no modifications to the structure of the loaned boat. This includes, but is not limited to, the removal of permanently installed equipment, or the addition of equipment which would require the drilling of holes in the boat.

I understand that this agreement is to be read together with the General Liability Release which forms part of the Regatta Registration.
